X BOX – MID WINTER STITCHER – LISA

After the success of last year's fun day/night class, here is another quick sew project! After you have chosen your fabrics (and we are more than happy to assist with this of course!) They will be cut ready for you to begin sewing when you arrive. We will start at 2 in the afternoon and stitch through until around 5.30, when we will have a light tea (the cost of this is built into the class fee), then we keep sewing until around 9 in the evening. By the time we have finished you should have your quilt top finished. Quilt top is approx. 1.6m x 1.6m (64" x 64").
